Getting You There
Affordable Transportation Options in the District

Washington, DC is heavily invested in providing affordable, alternative transportation options to residents across all eight wards of the city, regardless of income. To help meet that goal, DC has a number of transportation programs in place that provide discounted access to Capital Bikeshare, dockless vehicles such as scooters, and others.

Affordable

Special discount programs are available for eligible individuals to use Capital Bikeshare, dockless bikes or scooters, and the Metro.

Accessible

You can find a dockless bike or scooter, ride Capital Bikeshare, or Metro across all eight wards of the District.

Healthy

Choosing active transportation, like biking or walking, can contribute to your daily exercise and a healthier lifestyle.
