

# Commute With Care

## Traveling by Bike or Scooter

Everyone needs to do their part to keep our community healthy and safe, including YOU! Continue practicing social distancing and wear a face covering or mask every time you leave home. Review these safety tips so you know how to commute with care when traveling by bike or scooter in Washington, DC.

### What you need to do:

Keep at least six feet of distance between you and others at all times.

Wear a face mask when you leave your home.

Clean handle bars and all parts you come in contact with before you ride.

Avoid touching your face with unwashed hands.

Use precautions and social distance when riding on trails.

Carry hand sanitizer and/or disinfecting wipes.

Wash or sanitize your hands frequently.

Stay home if you exhibit any symptoms of illness.

### What you need to know:

- Capital Bikeshare offers pedal-assist e-bikes to make it even easier to get around.
- Capital Bikeshare for All offers \$5 annual memberships to those who qualify for certain state or federal assistance programs (SNAP, TANF, etc.).
- All electric scooter companies are offering free or discounted programs for healthcare workers and income-eligible residents.

# Commute With Care

## Traveling by Carpool

Everyone needs to do their part to keep our community healthy and safe, including YOU! Continue social distancing and wear a face covering or mask every time you leave home. Review these safety tips so you know how to commute with care when traveling by carpool in Washington, DC.

### What you need to do:

Lower windows while driving.

Wear a face mask or covering the entire trip.

Clean and disinfect surfaces often.

Avoid touching your face with unwashed hands.

Run the car's ventilation system on non-recirculation mode.

Limit the number of passengers to allow for physical distancing.

Carry hand sanitizer and/or disinfecting wipes.

Wash or sanitize your hands frequently.

Stay home if you exhibit any symptoms of illness.

### What you need to know:

- In response to the public health emergency, (COVID-19), there may be an increase in driving over other commute modes, so drive times may double. Leave extra time to get to your destination.
- The Guaranteed Ride Home (GRH) program provides commuters who regularly (twice a week) carpool to work with a FREE reliable ride home, up to four times per year, for emergencies or unscheduled overtime.
