

Get \$ For Trading In Your Parking Benefits

If you receive a free, subsidized, or reimbursed parking space from your employer, you may be eligible for a monthly parking cashout benefit.

What Is a Parking Cashout Incentive?

Parking cashout is a benefit offered by employers that gives an employee the option to accept monetary incentives in exchange for their parking benefits. According to the DC Parking Cashout Law, by giving up your parking space, you could get at least \$175 per month towards transit, additional compensation, and/or healthcare benefits.

How Do I Get My Parking Cashout ?

Contact your employer's Human Resources department to learn more about their parking cashout benefit. If they are not familiar with the benefit or the law and need help complying, have them contact goDCgo at info@goDCgo.com.

Want to report a noncompliance?
Email the District Department of Transportation at ParkingCashout@dc.gov.
