

Commute With Care

Traveling by Bike

Everyone needs to do their part to keep our community healthy and safe, including YOU! Continue social distancing on shared bike lanes and trails and practice proper self care. Review all the safety tips so you know how to commute with care when traveling by bike in Washington, DC.

Recommended Tips:

Keep at least six feet of distance between you and others at all times.

Wear a face mask if within six feet of others.

Clean handle bars and all parts you come in contact with before you ride.

Avoid touching your face with unwashed hands.

Use precautions and social distance when riding on trails.

Carry hand sanitizer and/or disinfecting wipes.

Wash or sanitize your hands frequently.

Stay home if you exhibit any symptoms of illness.

Access Options:
